Our new Club Date series features a vintage style 7 ply Maple/Poplar/Maple shell with a rounded bearing edge for a rich warm sound. This USA made outfit is complemented by the rebirth and reemergence of our Imperial lug design which collectors have been yearning for, for years! A mix of retro style or modern day finishes will appeal to many players, generations apart.
Ludwig’s craftspeople apply a quarter of a century of experience to produce today’s most well-regarded drums. The artisans in our Monroe, NC facility produce each piece to be a personal representation of their respect and admiration for the instrument. The attention to quality and detail is unmistakable from first glance onward. With respect to craft traditions, Ludwig’s select artisans combine techniques of yesteryear with modern technology to produce exceptionally well crafted drums proving why we are “The Most Famous Name In Drums.”

A triumph in manufacturing has been realized in the faithful recreation of one of the most sought-after Vistalite colors in the world collector’s market. Tequila Sunrise has a look like no other and its visual appeal is second to none. This Limited edition run will produce just 100 of each kit shown here plus 200 pieces of the optional snare drum.
New offerings for many of our most popular snare drums include Tube Lug options as well as Hammered Shells for a darker richer tone.
2016 marks the return of another highly sought-after Ludwig creation – The Slotted Coliseum Snare! This Limited edition series features period correct 8x14" slotted maple shells with 12 lugs for superior tuning capacity. While this drum isn’t for everyone, if you want one you had better act fast as this model is limited to just 50 pieces of each version worldwide.
